TurboTax is automatically set to the free EFile option, so you don't have to pay anything if you go over the maximum refundable amount which for 2018 is \$6,500 for federal taxpayers and \$5,750 for New York State taxpayers (if you live in NY), but if you want your refund to arrive faster than the IRS standard 4-6 weeks processing time or need a specific delivery date (upcoming vacation or home purchase), then e-file with direct deposit is highly recommended (it's included in all packages except Free Edition). TurboTax Deluxe offers one-time use of a TurboTax e-file PIN, which you should request at the time of your purchase. You can use this PIN to file and pay online (after your return is filed). The PIN works the same way as a credit card: you enter it into your browser and enter your banking information. There is also a Discount PIN that allows you to buy TurboTax using a credit card without paying for the full retail price. The Discount PIN expires after December 31, 2018. When you buy TurboTax through the link below, you will receive an email with instructions on how to activate the discount PIN.
