Scenic Europe 2 Theme [Win/Mac]

PLEASE CHECK THE DATE BECAUSE THIS IS THE BEST ONE! Great theme! Perfect solution for displaying the average amount of your favorite players. It is very easy to set up and the included magazine-style theme rotation has many great page show options. This theme also comes with a neat "Average" and "High" setting to quickly display a random player to attract a visitor or keep them engaged. THE BEST FLYER December 22, 2016 By: david I can't say enough about how great this theme is. My order took a bit longer than I had hoped, but I'm so happy I did. I bought this for my wife and she loves it and has been displaying it on her computer for the past week with great results. The proof is in the screenshots, though, I couldn't be happier. My friends who have seen this theme are showing my wife off to the rest of the family. Good job, FW. AWESOME December 20, 2016 By: Dean Great Flyer! Love the wheel at the bottom of the screen for flipping through the photos. It's also nice that the photos get cropped differently for the desktop version so they don't show on top of the other windows. I love this theme, it's beautiful and just right for me! Great theme. December 15, 2016 By: chris Simple but great theme. Perfect for my needs December 12, 2016 By: ShadowBlade Only one feature I want. I would like the ability to add multiple articles for multiple weeks. Perfect December 11, 2016 By: 2fish The theme is amazing, very attractive. Excellent job! Best I can find December 10, 2016 By: laurie Best I can find on www.fantastic-websites.com Hands down best December 8, 2016 By: Joe Best of the best, period! Awesome Background December 7, 2016 By: Jim This theme is beautiful, the online rotation is great, and the background adds a simple yet great touch. One of my favorites December 4, 2016 By: AtlantaHunt I bought this theme as a trial for my church to display the winners of our Ultimate Charity event. This

What's New in the Scenic Europe 2 Theme?

The theme includes numerous images that include amazing views across the Italian country side, a photo of two men riding a bike down an old European cobblestone street, a stunning aerial view of the beautiful French Riviera, the Austrian Alps, a shot of a beautiful cottage near the forest, and the spectacular sights of a large waterfall in Japan and South Korea. The pictures in the slideshow are integrated into the media section of the WordPress theme and you can choose how you want the photos to display. Here are some of the highlights of the new theme: - Typography, fonts and other design elements are fully integrated into the theme; - A wide range of highly specialized features, such as: - Multiple slideshows - the images can be displayed in either the Carousel or the Classic view; - Seamless mobile-ready design - the theme uses the most recent HTML5 and CSS3 standards; - Responsive layout (responsive on all devices); - Multiple Ready-made widgets, including one with a built-in slider and a search widget (for quick access to your pages); - Multiple shortcodes for one-click integration into your post, page or sidebar; - Page Builder (a drag-and-drop page builder for WordPress) - Special features: - Custom menu, header and background - Integrate into your existing blog or website - High-quality images - Full-page preload (for a faster performance) - Advanced theme options (e.g. shortcode, widget options, pagination, background options, header options, featured images, etc.) - Regular updates (so that you will always stay up-to-date with the latest improvements of the new version) - Popular features - Option for navigation arrows (possible thanks to the use of the font Awesome) - Option for the featured image (on the home page, page or category archive pages) - Multilingual feature (in case you want to change the language of the theme) - Fully compatible with the popular plugins such as Easy Digital Downloads, Atomic Blocks, WooCommerce, and more - High-quality photos. - An original music soundtrack, featuring a variety of instrumental music that you can cycle along with the slideshow. - Several customization options (logo, text color, size, layout, etc.). - Source code and admin backend is very clean and easy to use - A 100% money back guarantee - All the images included
